

Spice up any event with our proven crowd favorite! The "Selfie Booth" is an ultramodern, open-air photo booth consisting of a kiosk with backdrop and LED lighting for perfect pictures of all your guests. You can capture pictures, GIFs, Boomerangs, and videos of singles or big groups. Pick out a spot with decor at your venue or use one of our backdrops and create unlimited digital souvenirs that will help your friends and family remember your big day!
